Request for Service Funds

An object of this club and of Zonta International is to improve the legal, political, economic, educational, health and professional status of women at the global and local level through service and advocacy. The Service Committee takes action by offering financial support for local service projects that are aligned with the Zonta International goals. Requests for funding by organizations located in the Quaboag Valley area and surrounding communities will be reviewed by the Service Committee and – if they meet the criteria for our support – brought before the full membership for approval, during a regularly scheduled business meeting.
